PL Hours vary

To support early childhood teachers, the California Early Learning and Development System provides an integrated set of resources based on state-of-the-art information for early learning and development and best practices in early education. The modules provided on the California Early Childhood Online (CECO) Web site enable teachers to increase content knowledge and ability to provide developmentally appropriate experiences for children in their care. Meeting the developmental needs of young children and their families requires a comprehensive approach. CECO provides access to comprehensive resources and modules in one centralized location to meet the ever-changing needs of the early childhood field.

As an early care and education provider, you play a critical role in the health and wellbeing of children. You are also very well positioned to help identify children who might need extra help in their development. This FREE, online training course, **Watch Me! Celebrating Milestones and Sharing Concerns**, helps you fulfill this role by providing tools and best practices for monitoring the development of children in your care and talking about it with their parents.
