

INFANT AND TODDLER PROFESSIONAL LEARNING SERIES

Register Now

The Program for Infant Toddler Care (PITC) is a responsive, relationship-based approach to infant/toddler care, built on developmental research, theory and practice.

These professional learning sessions will provide you with the opportunity to share and discuss key elements of providing quality infant/toddler care with other early educators and staff, as well as learn more about the PITC philosophy, and continue your professional growth.

At each session registered participants will receive a copy of the corresponding publication:

Session #1: A Guide to Setting Up Environments

Session #2: A Guide to Culturally Sensitive Care

Session #3: A Guide to Cognitive Development & Learning
